

We are pleased to announce that we can start welcoming our members back to Elmers Court very soon. We will reopen from the 12<sup>th</sup> April in line with recent Government guidelines. For those members with imminent bookings, please look out for our pre-arrival email landing into your inbox.

As a Macdonald Resort Points Club member, you can once again start planning for future holidays and with the flexibility, choice and control you have since we

moved away from a fixed week arrangement into what is now a flexible arrangement, you are now open to many possibilities with a fantastic choice of resorts during different times of the year.

To assist with your booking process, we have detailed below a complete list of Club units which are available for Club members to book at Elmers Court. Of course, this list is broader as there are Club units at all Macdonald Resorts for you to make use of on an annual basis.

Your Member Services Team is working hard to overcome the booking challenges as a result of the lockdown/closure of the resort. Members will appreciate that a great many holidays were postponed during the lockdowns and Member Services are working through this and we would appreciate your patience at this time. All Elmers Court members are our first priority so please do bear with us even if you don't get through the first time you call.

Coming out of the lockdown will still be a challenge. If members would like to provide constructive feedback to the committee, we will review and address these with them. We can even prepare a synopsis of members' issues this year for discussion at the AGM.

Finally, during the lockdown the new WIFI has been installed and maintenance continued working to ensure, when you do return, that the lodges and grounds are looking their best. There are members' weekly dinners being planned when government guidelines allow, encouraging members to talk about the future and Mark and his team are looking forward to seeing you all back. The Chairman and committee will also try to attend some dinners to talk to members present that week. Further details and times will be advised in your welcome information on arrival. Please support your Club during these unprecedented times. The future we are sure will be better and brighter.
